We build strong kids,
strong families, strong communities.

Thank you for your interest in Camp Abnaki. I have enclosed a registration form, brochure, and application for financial assistance. Please take a moment to read the scholarship application completely to assure we have all the information we need to process your request. Incomplete applications will be returned to you, which will delay processing of your application or make you ineligible if turned in after the deadline date. A complete application *must* include:

- A completed Camp Abnaki registration form
- \$100 registration deposit
- Copy of your Federal Tax Return (form 1040)
- Two most recent paystubs and/or verification of federal or state Assistance received (SSI, SRS, ANFC, General Assistance, Food Stamps)
- Copy of the Financial Assistance application

Please note that Camp Abnaki is not eligible to receive State of Vermont child-care subsidy.

There is a high demand for financial assistance and we try to serve as many families as possible. For this reason, we do not fund 100% of anyone's request. The amount of campership awarded is based upon availability of funds, family income, family size, session availability, and family need. **When returning a completed scholarship application, a registration deposit of \$100 per session is required to reserve a space. You will not receive a confirmation packet or have a space reserved without this deposit.**

Should you decline our scholarship offer, your deposit will be refunded to you.

We will notify you of any campership award you have received by April 1, 2010. We are unable to apply the Sibling Discount or the Y Member Discount to any applications for financial assistance.

Camp Abnaki has provided quality camping experiences for thousands of boys in a residential camp setting for over 100 years. I hope you and your son find that our camp exceeds your expectations.

If you should have any questions about camp or camp life, please do not hesitate to call the Abnaki office at (802) 862-8993 ext. 129, e-mail me at jkuypers@gbymca.org, or check out our web site at www.campabnaki.org. I would be happy to answer any questions you or your family may have.

Sincerely,

Jon Kuypers
Camp Abnaki Director
